2. The Senior Surgeon proposes that
his presence & quarters occupied by
his private assistant should be given to the
medical officer in charge of the medical
stores as he thinks that it is very
necessary for his duties to have
very near his office - that might be
very much to his convenience, per-
sonally & his office concerned, but
I do not think that his medical
work in the medical stores requires
that his presence & his office at all
hours of the day near the medical
stores office. I do not think that
he is expected to meet such de-
mands as the needs of the medical

arrangements now made by the Senior
Surgeon are not convenient and
I am not prepared in favor of placing
his quarters at the disposal of the Medical
Stores making no change in
present arrangements - to shift for himself
but having regard to the fact that
the Senior Surgeon does not consider it
necessary to provide special quarters

Office of the Senior Surgeon, Mysore Govt.,
Dated, Bangalore, 24th February 1920.

15741

From

Rajakarya Pravina

Rao Bahadur T. V. Arumugum Mudaliar, Esq., M. B., C. M.,

Senior Surgeon with the Government of

H. H. the Maharaja of Mysore, Bangalore.

To

The Chief Secretary to the Government of

H. H. the Maharaja of Mysore,

Bangalore.

Sir,

A With reference to Notification No.G.18813-Med.42-19-18 dated ~~xxxxxx~~ 16th February 1920, notifying the transfer, among others, of Mr. G.S.² David, to the charge of the Lunatic Asylum, Bangalore, I have the honor to state that Mr. Abboy Naidu, now Superintendent in combined charge of the Medical Stores and the Lunatic Asylum, when relieved of the charge of the Asylum, will have to vacate the official quarters he is now occupying, which is intended for the officer in charge of the Lunatic Asylum whose presence near the institution is necessary at all times of the day and night, in the interests of the ~~inmates~~ unfortunate inmates of the Asylum.

Mr. Abboy Naidu has also found his residence in the official quarters very convenient for the discharge of his duties as Superintendent of the Medical Stores where indents are very often complied with both in the mornings and evenings and some times urgent indents from Head Quarter institutions and from outside are received after the usual office hours and yet have to be complied with and are being complied with. To enable the Superintendent of the Medical Stores to continue to attend to the supply of indents promptly and without much inconvenience, in the mornings and evenings whenever there is pressure (as during epidemics), and even at night in cases of urgency, Mr. Abboy Naidu represents that he may be kindly

permitted to occupy the building now occupied by the Superintendent of the Minto Ophthalmic Hospital, on payment of rent according to rules, as there is no other building within easy reach of the Medical Stores, available for rent.

There is no doubt that the residence of the Superintendent of the Medical Stores in the vicinity of the institution will greatly facilitate his work and add to the efficiency of the institution and that the building in question is more favorably situated in respect of the Medical Stores than the Minto Ophthalmic Hospital which is more than a mile and a half away, a distance which cannot be said to add be a reasonably convenient one for the residence of an officer in charge of a Hospital for purposes of his official duties. It is also not impossible for the Superintendent of the Minto Ophthalmic Hospital to obtain a suitable building for his occupation either in Chamarajapet or in Sankarapuram within easy reach of his Hospital.

I submit the matter for the orders of Government.

I have the honor to be,

Sir,

Your most obedient servant,

Personal Assistant
For Senior Surgeon
(absent from station.)
